POND RULES

To ensure your visit to the Shimano Fishing Pond is safe and enjoyable we ask that you become aware of our rules surrounding the use of our catch-and-release fishing facilities.

The Heritage Centre employees will provide fishing rods, reel, bait and tackle. They will assist with baiting hooks, but we encourage you to do this on your own! Employees will also assist with netting larger fish and will work quickly to get fish back into the water.

Anglers must:

- Always be well spaced apart
- Always look beside and behind them before casting
- Always use barbless hooks
- Never cast behind them, only to the side
- Never run around the pond
- Never stand on the rocks
